Your grade will depend on process as well as answers so it is important for you to show me precisely how you arrive at your solution. Be sure to put all results in simplest form.

In order to receive any partial credit you need to show the process of how you arrived at your answer.

If you are outside of Dallas County and/or **testing at an approved proctor location**, once you have finished your exam, **have your approved proctor mail back the copy of the test, this sheet, and any scratch paper you have.** After your test is graded, I shall scan your test and send it to you via email only upon request. Receiving your exam back will give you an opportunity to see what kind of errors you have made.

If you are **testing at a DCCCD testing center**, **submit the test, scratch paper, and signed and dated cover sheet to testing center personnel.** They will send your exam back to me within 1 week's time.

You must have taken the exam by the respective due date indicated in eCampus.
